**ANY PLAYER CAN PARTICIPATE *
CASH PRIZES* \$10.00 ENTRY FEE**

OBJECTIVE OF THE GAME:

Goalie Wars is played by two players, each trying to score as many goals as possible upon the opposing player while simultaneously defending his/her goal.

FIELD SIZE:

U11- Adults: 24 yards long by 20 yards wide with full sized goals. The field is divided into two halves by a center line. A player may play anywhere within his/her own half, but may not cross into the opposing player's half

GAME DURATION:

U-11—Adult: First player to five or the final score after 5 minutes, whichever comes first. If after 5 minutes and the game is tied, the game will continue until the first person scores.

PLAYING RULES:

At the beginning of each half, and for the duration of the game, three balls will be placed to the right of each goal. At the referee's direction, goalies will bring a single ball into play as needed. (Neutral personnel will be designated to ensure that balls will be available to the right of the goalies nets.)

Play starts with a ball placed on the center line and with each goalie on their respective end line. At the sound of the whistle, participants may charge to win the ball, or retreat to protect their goal. Upon the initial touch of the ball, the goalie in possession of the ball has six seconds to distribute it to the opposing goalies half. This may be accomplished by punting, throwing, kicking, drop kicking, heading, or rolling the ball. If the goalie in possession of the ball does not release it in some manner within the six seconds, the referee will call for the ball and award possession to the opposing goalie who will bring the ball into play one of the balls at his/her own net.

The ball is out of bounds when it crosses over either the touch line or the end line, whether on the ground or through the air. The referee will award possession to the goalie who was not the last to touch the ball. The ball is in play at all other times.

SCORING:

A goal is scored when the entire ball crosses over the goal line. A goal may be scored by punting, throwing, kicking, drop kicking, heading or rolling the ball.

NUMBER OF GAMES:

A single elimination format will be played. Champions in each age bracket will receive a cash prize according to the size of the bracket and a trophy. 40% of the bracket take goes to the winner. That equates to \$64.00 for a bracket of sixteen. \$32.00 for a bracket of eight. Sliding scale will be calculated. Age groups are split between boys and girls. Age brackets are combined in the following brackets: U11 and 12. U-13 and 14, 15 and HS and Adult.
